THE FULL STORY

BLACKLISTED

THE SECRET WAR

BETWEEN BIG BUSINESS

AND UNION ACTIVISTS

Dave Smith and Phil Chamberlain

***Blacklisted* tells the explosive story of the illegal strategies used by transnational construction companies to deny union activists work.**

FULLY UPDATED WITH NEW DOCUMENTS AND PHOTOGRAPHS

This is the story of a bitter struggle, in which employers' collusion with the police and security services resulted in victimization, violence and unemployment, with terrible effects on families and communities.

In this fully updated new edition investigative journalist Phil Chamberlain and Dave Smith, blacklisted construction worker, lift the lid on these shameful and immoral practices and detail the historic High Court victory and the Pitchford public inquiry into undercover policing.

Hundreds of testimonies (blacklisted workers, Special Branch spies, company representatives, union members and more) and extracts from blacklist files expose the scale of the scandal and the human stories behind the secret war. In forensic detail the authors make a powerful and unequivocal case for human rights and for justice finally to be done.
